Construction materials/debris

All of our field offices are using the same method of recycling from different projects as part of the on-going effort to continue the recycling program. The district office building is on the same mission to continue the recycling program in place. The district office building recycles plastic bottles, aluminum cans, toner cartridges, white and mixed paper.

Material Exchange

Internal property reutilizations
State surplus (accepted by DGS)

Our facilities utilize surplus property/furniture through our Property Control Program.

Waste Prevention/Re-use

Paper forms reduction - online forms
Bulletin boards
Reusable boxes
Reusable pallets
Electronic document storage
Intranet
Reuse of office furniture, equipment & supplies
Reuse of packing materials
Reuse of construction/remodeling materials
Double-sided copies
Email vs. paper memos

It is widely encouraged in the district, the use of emails rather than sending letters or memos reducing the use of paper. Post bulletins on boards throughout the building to save paper. Also, using both sides of paper instead of one side only.

Green Procurement

None
